

Triangle Area Meeting Minutes for 1/24/2001

Residential Traffic Task Force Committee Meeting Fairfax City Town Hall
January 24, 2001 7:30 p.m.

Attendance: Robert Petrosino, Jack O'Donnell, Al Litschgi, Bill Schmidt, David Gessert, Cynthia Cute, Dirk Brouwer, Dan Conway, John Veneziano, Alex Versosa.

Introduction of new committee member: Robert Petrosino - 3918 Oak Street
Minutes from January 10th meeting read and approved

Discussion of 1998 Proposed Measures 1 - 5.

-Issues of purpose, effectiveness, measurability and goals discussed in great detail. Traffic counting and speed watch studies reviewed and discussed.

-Discussion of perceived problems and issues discussed regarding various points around the triangle area.

Voting:

Proposal Item #1 - Discussion

-Install a raised, 2-lane brick crosswalk with "nubs" at the Keith Avenue and Main Street entrance. Install a "neighborhood" sign alerting drivers that they are entering a residential neighborhood and should drive gently. *7 in favor, 1 opposed - Item passed

Proposal Item #2 - Discussion

-Install a raised, 2-lane brick crosswalk with "nubs" at the McLean Avenue entrance in the vicinity of 3707 McLean Avenue. Install a "neighborhood" sign alerting drivers that they are entering a residential neighborhood and should drive gently.

*7 in favor, 1 abstention - Item passed

Proposal Item #3 - Discussion

-Install a raised, 2-lane brick crosswalk with "nubs" at the Railroad Avenue in the vicinity of Moore Street. Install a "neighborhood" sign alerting drivers that they are entering a residential neighborhood and should drive gently.

*7 in favor, 1 abstention - Item passed

Proposal Item #4 - Discussion

-Install a raised, 2-lane brick crosswalk with "nubs" at the Cedar Avenue and Rte 123 entrance. "Build-up" the existing corners at the Cedar Avenue and Route 123 entrance to create "hard corners" and a narrowing of the entrance. Install "nubs" in addition to the curb build up, if possible.

-Install "traffic turtles" to act as lane dividers segregating the opposing traffic at this location. Install a "neighborhood" sign alerting drivers that they are entering a residential neighborhood and should drive gently. *7 in favor, 1 abstention - Item passed

Proposal Item #5 - Discussion

-Install "traffic turtles" or land dividers at the cedar Avenue-Keith Avenue turn/curve adjacent to Keith Park.

Unanimously approved

Next meeting Proposed Items 5 -10 will be discussed and voted on. In addition, any new suggestions and recommendations will be proposed and discussed.

Meeting set for February 7th at 7:30

John Veneziano to supply Robert Petrosino with a tool kit.

Meeting adjourned.
